Type of Contract	Full time, Permanent
Salary/Scale	MPS/UPS
Start Date	1st September 2019 or sooner by mutual agreement
Closing Date	9am Friday 25th January 2019
Interview Data	Week Commencing 28th January 2019

Burnside's Maths department consists of 8 full-time and 1 part-time teaching staff. Within the department there are 10 Maths classrooms and each is equipped with a desktop computer and state of the art, interactive teaching software; providing students with an ideal learning environment in which they can flourish.

The Curriculum

It is expected that all members of the Maths team are able to teach across Key Stages 3 and 4. Teaching groups are streamed with class sizes of up to 32 students. At KS3, additional numeracy lessons are timetabled as part of an alternative curriculum designed to support students working significantly below the expected level.

The Teaching Post

The successful candidate will be responsible for the planning and delivery of lessons across Key Stages 3 and 4 in the first instance. They will be required to assess the work of their students and provide constructive, individual feedback on a weekly basis.

The Maths department places a strong emphasis on the development of effective teaching and learning strategies. Through ongoing weekly CPD, the Maths team are focussed upon ensuring that differentiation is used to provide a suitable level of challenge for all students and that effective Assessment for Learning is used to support student progress. The successful candidate will be enthusiastic, highly motivated and a creative practitioner who is committed to developing their own practice, as well as the practice of others, and supporting the achievement of all students.

Your letter of application

In addition to the application form please provide a covering letter, of no more than two sides of A4, in which you outline your suitability for the post as well as your philosophy on teaching.
