## Teacher of Science – MPS/UPS - Permanent

### Full Time

### Required January 2022

Applications are welcomed from **both ECTs and experienced teachers**. Kepier is a dynamic Academy, firmly committed to staff development. We will appoint the best candidate on the day. This could be an upper threshold teacher, main scale teacher or ECT.

The appointed person must have a good qualification in a Science discipline. You must be able to clearly communicate your passion for Science, and engage successfully with our learners. You must also be committed to achievement, and work with resilience to ensure learners' progress towards targets is met or exceeded.

The post holder will be required to teach across the full age and ability range and, therefore, candidates must have good knowledge and understanding of KS3 Science and the KS4 Science Specification.

Kepier is committed to promoting and safeguarding the welfare of children and young people. Enhanced Certificate of Disclosures are required for this position. Please note that in all cases written references will be sought and made available to interviewers before the final selection stage.

Application form, job description and person specification are available online at [www.kepier.com](http://www.kepier.com). Application forms (please do not attach additional letters or statements) should be returned to [recruitment@kepier.com](mailto:recruitment@kepier.com) no later than **12 pm noon on Monday 20th September 2021**. It is hoped that interviews will take place the following week.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
