The Trustees are seeking to appoint Intervention Tutors (Maths & English) for Excelsior Academy to start as soon as possible.

The successful candidates must be capable of supporting KS4 /KS5 students as they continue their studies in Maths or English. We are conscious that the extended COVID lockdown will have undoubtedly impacted students in terms of lost learning and, where some may be able to recover and get back on track simply through exposure to high quality teaching, for others additional support will be needed.

Tutors will typically work with students in small group settings, with the areas for particular focus being identified by the student's teacher or the Subject Lead. The intervention sessions will be focussed in order to have maximum impact in terms of supporting students to rapidly address identified gaps in learning and to make progress.

Excelsior Academy is an All-Through Academy providing education for students aged 3 – 19, serving the West End of Newcastle. Working at Excelsior, you will play an important role in our continuous drive for further improvement.

The successful candidate will join Laidlaw Schools Trust (a Multi Academy Trust) where all Academies support each other to the benefit of our pupils and their families. Our Academies also enjoy strong support from an experienced LST central team based in Newcastle upon Tyne.
