Every Northern Lights school has its own values and its own vision and that's really important to us because all of our schools are there to serve our community but equally, our Trust is there to serve each other.

We do that with humility and with an openness because at Northern Lights it's not all about the academic - that is really important to us - but we know, as a Trust, we are successful if we have ensured that in an holistic way our children and young people have had every opportunity to experience, to flourish, to thrive, to understand the wonder and the joy of the world around them.

- Jo Heaton OBE, Chief Executive, Northern Lights Learning Trust

Welcome from the CEO

Thank you for your interest in the position of Technical Accounts Officer within Northern Lights Learning Trust.

We are a growing Multi Academy Trust that is currently made up of 2 secondaries and 5 primaries across Wearside and Teesside, with our central offices based in Seaham. We educate over 3,000 pupils and employ over 400 members of staff and serve a diverse range of schools and communities.

Each of our schools have their own individual ethos, values and vision, which sit together as part of our Northern Lights vision of 'Shining Together and Stronger Together'. As a CofE MAT, our schools are a mixture of Church and non-Church schools that range in size and levels of disadvantage. We see this diversity as a real strength to learn from and work with each other.

As a Multi Academy Trust we are at the heart of the current educational landscape, as a designated DfE Centre of Excellence as a Teaching School Hub and DfE Early Years Hub, responsible for teacher development across all ages and phases of education, working with over 300 schools. We are collaborative in our approach and value professional development highly in all we do.

We seek to be an employer of choice, with 100% of staff satisfaction in our latest survey, '*I am proud to work for a forward-thinking Trust who put people development at the heart*'.

We are looking for someone whose values align with us as a Trust and has the drive and ambition to work collaboratively to provide the best opportunities and outcomes for our young people.

We look forward to receiving your application.

Yours sincerely

Jo Heaton
