Job Pack

Inspire | Support | Achieve

Dear Applicant

Thank you for taking the time to consider becoming a member of our incredible College where the students matter and so do the staff.

Having been Headteacher at High Tunstall College of Science for over 10 years, I am very proud of what we have achieved. We are the school of choice in Hartlepool, with a waiting list in all Key Stage 3 year groups and staffed by well qualified, supportive members of "Team Tunstall".

Our new £18m, state-of-the-art College building opened in November 2019 meaning we now have the facilities to ensure we get the outcomes for young people that they desire. As a College we were first rated **Good** by Ofsted in June 2016, which was reconfirmed in their section 8 visit in July 2021. We are very proud to be recognised in this way.

If you wish to find out more about High Tunstall College of Science I would encourage you to visit our website www.htcs.org.uk. If choose to apply for the post then I look forward to receiving your application.

Best wishes

WELCOME

High Tunstall College of Science is an 11-16 Maintained Foundation School in the west of Hartlepool, North East England. The facilities that we have are unbeaten within Hartlepool Secondary Schools and a visit is recommended to see just how good they really are.

The College is proud of its place in the community and under the "Tunstall Active" badge offers much in terms of facilities to all in the town. All of our facilities are accessible to the wider community which include a swimming pool, hydrotherapy pool, community gym, refurbished MUGA and new 3G football pitch.

We are proud of the staff and students of the College and as part of our ethos all College members belong to "Team Tunstall", a restorative and reflective organisation who wishes to support the needs of all. Staff development is key to the success of the College and the Workforce Strategic Plan recognises the importance of everyone at the College.

The College operates a curriculum that is traditional in its design, broad and balanced in its aim and reactive in its nature to local economic and social demands. An inclusive approach plays an important part in our curriculum and our desire to make sure our young people are ready for work in a 21st century economy.

"We are proud of the staff and students of the College."
