## Teacher of History– MPS/UPS

### Full Time - Permanent September 2023

Are you looking to teach in a happy, well established and successful History Department, where Ofsted recently said behaviour was excellent?

You will be required to teach across the full age and ability range, and therefore you must have good knowledge and understanding of KS3 and KS4 History. The postholder may also be required to teach a small number of other humanities subjects such as Geography at KS3. We will appoint the best candidate on the day. This could be an upper threshold teacher, main scale teacher or ECT.

We are based on the outskirts of Durham, with good road connections to the A19 and A1. We have excellent facilities and resources and currently offer a generous non-contact allocation. The school is well regarded in the locality and has been oversubscribed for the past 4 years.

Kepier is committed to promoting and safeguarding the welfare of children and young people. Enhanced Certificate of Disclosures are required for this position. Please note that in all cases, written references will be sought and made available to interviewers before the final selection stage.

Application form, job description and person specification are available online at [www.kepier.com](http://www.kepier.com). Application forms (please do not attach additional letters, CVs or statements) should be returned to [recruitment@kepier.com](mailto:recruitment@kepier.com) no later than 12 pm noon on Tuesday 18th April 2023. It is hoped that interviews will take place the following week.

We fully appreciate the time and effort required in completing an application and, whatever the outcome of this particular process, we are grateful for your interest in working at Kepier and wish you every success with your future career. Applicants who have not been contacted within 2 weeks of the closing date should assume they have been unsuccessful.
