

April 2024

Teacher of Geography

Thank you for your interest in the role of Teacher of Geography at Churchill Community College.

We are seeking to appoint a dynamic, passionate and inspirational teacher of Geography to help instil in our students a desire to learn, love and engage with the Humanities curriculum.

The successful candidate will benefit from excellent professional development opportunities and supportive colleagues. You will work alongside an incredible group of staff who will always go the extra mile for our students.

Staff have membership access to the Geographical Association which informs individual research and development of curriculum, teaching and learning. Achievement in Geography is improving, and the post offers a superb opportunity for an energetic teacher with excellent skills to develop further within a positive and supportive environment. It is suitable for an ECT or a more experienced teacher.

Churchill is on a journey of improvement as identified in our most recent Ofsted report. Whilst the report is reflective of the historic results, this is a great opportunity to join a school which is truly on a journey of improvement and therefore make a genuine impact on students' life chances. We stand by our aspiration of 'excellence in all we do' and need the successful applicant to embrace this philosophy.

Churchill is very much a community school, and whilst the community we serve is enormously proud and supportive of the school, a significant proportion of our students come from low income or deprived households, with well over 40% of our cohort eligible for the Pupil Premium.

You do not need to be told how crucial this subject is to students in promoting creativity and developing their cultural capital and, for some students, the grade they achieve at Key Stage 4 can be transformative in terms of the opportunities it can provide them. Fostering a love of the subject with students will further support them to achieve success at Key Stage 5 and may lead to them choosing related subjects at University.

For these reasons we are looking for someone who instils in students the desire to learn and the aspiration they can achieve the very best they can. It is essential that the right candidate is an exceptional role model to both staff and students.

Churchill Community College is a vibrant, exciting and rewarding place to work, and the role would be perfect for someone at any stage in their career. If, from what you have read, you feel that you would like to join us, please submit a completed application form and a letter of application (not exceeding two sides of A4) outlining how your skills and experiences make you the best candidate for the post. A CV is not required and will not be accepted.

The closing date is **9.00am on 9th May 2024**. Please email your application to Heather Bell, Headteacher's PA: recruitment@churchillcc.org

Interviews will be held as soon as possible after the closing date. We will only contact those candidates who have been shortlisted. If you have not heard from us by 15th May 2024 you should assume you have not been shortlisted and your application was unsuccessful. Please note we do not pay expenses for candidates invited to interview.

We look forward to receiving your application.

Yours sincerely

Paul Johnson
Headteacher
