SENIOR SCHOOL ADMINISTRATION & PROCUREMENT COORDINATOR

Newcastle upon Tyne Royal Grammar School

Required from mid/late May 2024

THE POSITION

We have an exciting opportunity for an enthusiastic, efficient, and organised individual to join the school's Office Team. The role would be ideal for someone with excellent organisational and communication skills that is also able to negotiate with suppliers. This is a varied role which will be suited to a proactive individual who can be adaptable to the changing requirements of the school office and receptions, on a daily basis.

This is a key role in the Support Staff Team which coordinates the ebbs and flows in the office work and ensure people get time for training and development. Ideally this also allow us to create a structure that means each person has a natural 'second' to help with cover and collaboration when needed, and to empower each individual / sub team to take ownership of their area of responsibilities and develop it.

The successful candidate will work to support the efficient day-to-day running of the School's Office, oversee the reception provision in school, as well as drive efficiencies through more centralised procurement.

Job Description: Senior School Administration & Procurement Coordinator

THE SCHOOL

Thomas Horsley, the original settlor of the Royal Grammar School Newcastle (RGS) pledged his legacy to the School in 1525. Almost 500 years later, RGS continues to flourish as the premier independent school in the North East of England and as one of the country's leading schools.

In 2023, RGS was named overall 'Independent School of the Year' in The Telegraph Group's national awards. RGS also consistently tops the region's academic league tables and was awarded the Sunday Times' 2024 North East's Top Independent Secondary School, both the overall winner and for Academic Performance. While we pride ourselves on academic excellence, we are just as well known for our high level of pastoral support, involvement in a wide range of sports and other co-curricular activities, and our commitment to bursaries and partnerships.

RGS is fully co-educational with over 1,300 students aged 7-18 years (Years 3 to 13) and our academically selective places are highly coveted. We have more than 250 students in the Junior School, which shares the same outstanding site as the Senior School. Our Sixth Form is one of the largest in the independent sector with more than 340 students.

The school is based in the heart of the City, immediately opposite Jesmond Metro station and our excellent transport links attract students from far and wide. The school occupies over 30 acres of land and has state-of-the-art facilities, including a 25m swimming pool, two Sports Halls, five new art studios, a new library, a new Sixth Form Centre, a Performing Arts Centre with professional-standard theatre, several outdoor football/rugby pitches, an artificial turf pitch and the former County Cricket Ground.

RGS is a special place, known and respected throughout the whole country as well as the North East. It's a place where aspirations are high, results are outstanding, and opportunities are endless. Our students go on to study highly selective courses at the most sought-after universities, but also leave the school realising that life outside the classroom has been equally beneficial.

LIVING IN THE NORTH EAST

Whilst the North East is beloved and popular with so many, we know that not everyone will have had first-hand experience of it, so this is a short introduction to a city and region which we love, and believe you will too. Newcastle is a medium-sized city with an historic centre and a vibrant life of its own. There's culture and arts in the form of the award-winning BALTIC Art Gallery and The Glass House, alongside several theatres that attract national touring productions. There's music from classical to club and we are home to the Royal Northern Sinfonia. There's also a growing food culture with some fantastic restaurants.

If you like sport then there's certainly no shortage of top-class entertainment: from Premier League football being played at St James' Park and EFL at the Stadium of Light to first class cricket at Durham (a mere half hour away), and great rugby at the Falcons, not to mention basketball and even ice hockey, and then there is the annual Great North Run. The North East has also produced some of the country's finest athletes in track and field and there are clubs aplenty to get involved with, most famously in Gateshead.

The coast and the hills are minutes away from the city centre. By car you can be in the middle of nowhere in 45 minutes, the Scottish Borders is only an hour away and the Lake District an hour and a half. The coast is served by the Metro (our version of the Tube), but some of the country's best beaches are up the road in Northumberland, less than 40 minutes by car. There's mountain biking, road cycling, climbing, and endless hill walks in stunning countryside. There are green spaces all over the city too, with plenty of parks for children and dogs alike to run around.

There are three local teaching hospitals, two universities in the city with another three close by. Some pioneering medical work goes on at the RVI, Great North Children's Hospital and the Freeman Hospital.

History abounds with more castles than you could count and sites of interest for almost every period of English (and border) history. Add that to a proud, independently minded and very friendly local population and we have most things you could want.

There are excellent primary schools in the region and city as well as some good secondary schools too, but staff do get a discount at the RGS. There are also a number of good competitor independent schools as well.
