Established in 2006, the Education Village Academy Trust (EVAT) is a Multi-Academy Trust (MAT) made up of 7 academies and schools in the borough of Darlington. We are an ambitious and growing Trust, along with the establishment of a new free school (for children and young people with special educational needs) planned in the 2026/27 academic year.

We provide education and support to over 2000 children and young people in the town and its neighbouring areas, and our mix of mainstream and specialist provision across all phases is unique. We're an impactful Trust with extensive experience of improving schools and academies to achieve 'good' Ofsted ratings.

Our vision is simple:

The Education Village Academy Trust is a place where learning has no limits

Our mission is to deliver exceptional learning experiences to all our children and young people. We stretch aspirations and aim to inspire everyone who learns and works with us to reach high and achieve their potential.

We are looking for an highly credible health and safety professional, who is passionate about creating safe, compliant and healthy work and learning environments. Proactive and detail-orientated, you will be at the heart of our commitment to workplace and school safety.

This is a great opportunity for someone to gain further experience within health and safety, where you will benefit from on the job coaching and support. If you're looking for career progression we can also look at potential options for formal study too.
