About the School

Newcastle High School for Girls is the North East's leading independent girls' day school. Founded in 2014, following the merger of two very long-standing predecessor schools, NHSG is a state-of-the-art, modern school with a tradition and history stemming back almost 150 years.

We are an all-through school (ages 3-18) with around 250 girls in the Junior School and 450 in the Senior School, including over 100 in the Sixth Form, who, together with around 150 staff, make up a friendly and welcoming community.

The Junior and Senior Schools occupy their own separate campuses around a mile apart and this role is based between both our Senior and Junior School sites. Our two campuses are situated within the suburban, leafy areas of Jesmond and Sandyford, both with excellent transport links to the Tyne & Wear Metro and bus services from across the region.

Our School is a very popular choice at all ages, with girls joining us from most parts of the Tyne & Wear metropolitan area, as well as areas further afield in Durham, Northumberland, the Tyne Valley, the Borders and Teesside.

Girls who attend NHSG are bright, enthusiastic, eager to learn and have high aspirations. Our public examination results are consistently outstanding, and girls go on to study a wide range of subjects at prestigious universities in the UK and abroad. NHSG is highly regarded for the way it achieves its outstanding outcomes within a particularly warm and supportive environment, with pastoral care and achieving the best for every girl at the heart of everything we do.

Overview – of Minibus Driver role

The role of Minibus Driver at Newcastle High School for Girls is to provide a safe, reliable professional and friendly minibus transportation for pupils and staff at the school. Our regular drivers are assigned a daily bus route and, together with the allocated chaperone for that route, work as a regular team to provide comfort and assurance for the pupils and their parents using that service.

The GDST's core mission is to reach as many girls as possible and the provision of our daily bus services is essential to helping us to achieve that mission.

Working as part of the wider transport team, our drivers also support a whole host of other school activities, sports fixtures, trips, events and ad hoc journeys and runs in support of the school throughout the year.

About the Girls' Day School Trust

The GDST is a family of 24 independent schools and 2 all girls' academies across England and Wales. As specialists in girls' education, we tailor our teaching to the way girls learn best and instil in them the conviction that there is no limit to what they can achieve.

At GDST, we focus not only on what is learned but how it is learned. Ensuring our girls are confident and fearless, determined to show what they can do. Nothing holds our girls back – they are encouraged to embrace every role and subject. As a result, they trust their own abilities and are alive to every opportunity.

We concentrate on creating an environment where all can thrive and learn from one another. Physical and emotional well-being is paramount, which is why every GDST school provides an incredible array of extra-curricular activities and wellbeing programmes.

Within this family, networking opportunities enable staff to share best practice and develop initiatives that benefit all our schools and pupils. In addition to supporting the work of individual schools in providing excellent induction and development opportunities for staff, the GDST provides access to an extensive training programme, GDST Learn. This includes development opportunities and grants for some individual courses of study.
