

Morpeth All Saints CofE First School Class Teacher (1 Term Fixed Term)

Recruitment Pack

The Cheviot Learning Trust

Cheviot Learning Trust was created in 2023 from a merger of Tyne Community Learning Trust and Three Rivers Learning Trust. The new Trust will enable our high quality staff from across all of our schools to cooperate through professional and innovative networks that develop the educational excellence all of our students deserve. We educate over 5500 students across 18 schools between the ages of 2 and 19 and employ over 750 staff. We are a charity supported by over 150 governance volunteers who hold us to account in their role as critical friends. We are proud Northumbrians; more than happy to welcome schools to join us from inside or outside Northumberland. All of the schools have a long and proud history of

providing an excellent education service to their local populations. We are seen locally as a centre of educational excellence and were selected to be the Teaching School Hub for Newcastle, Northumberland & North Tyneside. We recognise the mutual benefits to our Learning Trust through reciprocal staff development opportunities, training events, and the generation of new ways of working through system leadership. Through our teaching, we aim to equip children with the skills, knowledge and understanding necessary to be able to make informed choices about the important things in their lives. We believe that appropriate teaching and learning experiences help children to lead happy and rewarding lives.

The Cheviot Learning Trust mission

Our core purpose is to advance education for the public benefit. We believe that each school in the Trust family has unique qualities to share and unique challenges to be resolved. Deep collaboration is a key Trust expectation that helps us to deliver significant benefits for the students, the staff and the schools that form the Trust. Each school is stronger in the Trust family; delivering a better education for the public good than if they were outside the Trust.

Our vision

Our purpose is to deliver excellent education for the benefit of all and our mission is to develop all our young people to have the opportunity to succeed.

Our values

Everything we do is based around the values that we hold dear:

- **Innovation:** We're here to shape the future, which is why we all have a responsibility to be thinking about the big issues of tomorrow.
- **Cooperation:** We nurture the relationships that we've built over many years and we know by working together we can achieve more than we can alone.
- **Respect:** We take the time to understand and make decisions and have due regard for the feelings, wishes and rights of others.
- **Excellence:** We will always strive for continuous improvement and will produce the best solutions and deliver the best services possible.

About *Morpeth All Saints CofE First School*

As Headteacher of Morpeth All Saints Church of England First School, I would like to take this opportunity to thank you for taking the time to consider whether this is the position and the school for you to work in.

Morpeth All Saints is a thriving, vibrant and happy school community located within Lancaster Park, a short walk from the centre of Morpeth. We are a one and a half form entry first school, which means that we admit a maximum of 45 children into our school each academic year. Being a first school, we operate classes from Nursery to Year 4 and currently have around 220 pupils on roll. After their time with us, the vast majority of pupils transition to Chantry Middle School, which is also in Cheviot Learning Trust. As a one and a half form entry school, we teach both pure and mixed-aged year groups throughout Key Stage One and Two.

At Morpeth All Saints, we strive to enable all children within our care to achieve their very best, fully utilising their God given gifts and talents. We provide our children with a stimulating, safe and happy learning environment which is rooted in mutual respect of one another. Jesus told us to love our neighbour as we love ourselves and this teaching is very close to our hearts here at Morpeth All Saints. As a result, our children and school community truly flourish achieving our school vision of 'Together We Flourish' (John 10:10)

In our school we endeavour for our children to foster a passion for discovering new things, to be curious about the world around them and to be independent, enthusiastic learners. Our whole school community truly believes that all children

are unique individuals. Our aims therefore are to provide a high quality education which supports yet challenges, to ensure that our curriculum is enriched and tailored to each child we serve and to maintain an engaging, purposeful and interactive school environment.

We are passionate in ensuring that our curriculum places equal emphasis on all subject areas and not simply Reading, Writing and Maths. We appreciate that our children need to excel within these core areas, which they do, demonstrated through our high standards and results. However, we also respect that our children need many other skills, qualities and learning opportunities to be truly successful throughout life. As part of this, we are continually developing our curriculum offer, including increased access to outdoor learning opportunities and specialist music tuition.

We are extremely fortunate here at Morpeth All Saints to have a hard-working, dedicated, and caring team of staff. They are proud of our school and its achievements, and actively seek to maintain and improve standards in all areas of school life. They work to bring out the God given gifts of each child, to exemplify and promote good values, and to prepare children for the fast changing world in which we all live.
