

Art, Music & Technology Faculty

Faculty Information

This position is for Music Maternity Cover

Key Stage 3, 1 hour a week

We are passionately committed to delivering a varied, exciting and creative curriculum for our KS3 students. Students work on singing skills then move onto larger projects developing their performing, composing, notation and aural perception skills. They develop their knowledge of a wide range of genres and become confident performers.

The curriculum is designed to inspire students to become more interested in music and have an appreciation of the work of musicians and composers.

Each year we perform a school show, Christmas performance and a performing arts showcase.

We have a developing peripatetic offer of guitar, drum and vocal teaching.
